

FCC Service Rule History File

(Updated on 24OCT05)

Listed below are those Commission documents that, while not affecting the Table of Frequency Allocations, directly pertain to the regulation of the radio spectrum, *i.e.*, service rules. The Office of Engineering and Technology began this history file in mid-October 2005. All documents that the Commission adopts after October 1, 2005 will be entered into this history file. Other recently adopted documents will be added to this history file as soon as staff resources permit.
